Seabrook Station  
(Operating License Renewal)

ASLBP No. 10-906-02-LR

Docket No. 50-443-LR

March 8, 2011

FRIENDS OF THE COAST AND NEW ENGLAND COALITION, INC.  
REQUEST FOR EXTENSION OF TIME

Pursuant to 10 C.F.R. § 2.307, Friends of the Coast and New England Coalition, Inc. ("Friends/NEC") respectfully and for good cause requests of the Secretary of the Commission, an extension of time of three-days, from Monday, March 7, 2011 to Thursday, March 10, 2011 in which to file its Opposition to NextEra's Appeal to the Commission of LBP 11 02, February 25, 2011, in the above captioned matter.

DISCUSSION

In accordance with 10 C.F.R. 2.311(b), Friends/NEC's answer or opposition was due Monday, March 7, 2011. Friends /NEC undertook diligently to file its Answer and Opposition to NextEra's appeal within the ten days allowed.

However a heavy rain on frozen earth beginning late Sunday, the 6<sup>th</sup> and continuing through Monday, the 7<sup>th</sup> resulted in a basement flood knocking out furnace, water-pump, and electrical circuitry in the Friends/NEC Edgecomb, Maine office; thus disabling completely Friends/NEC's ability to complete its pleading and filing. Further, a resulting unanticipated

computer shutdown caused the loss of essential files: references and pleading material, which Friends/NEC is now undertaking to retrieve from other sources. Office utilities were not fully restored until mid-day, March 8, 2011, whereupon Friends/NEC sought concurrence from the parties for this request for extension of time.

For all of the forgoing good reasons, Friends/NEC now respectfully requests that the deadline be extended until Thursday, March 10, 2003

#### CERTIFICATE OF COUNSEL

Pro Se Representative for Friends/NEC hereby certifies that in conformance with 10 C.F.R. §2.323, Friends/NEC made a sincere attempt to obtain the consent of the parties to the filing of the Friends/NEC Request for Extension of time in which to file its Answer and Opposition to NextEra's Appeal .

The parties have represented as follows: Beyond Nuclear "supports," NRC Staff "cannot support," (but "might have" had NEC filed this request on Monday) and NextEra "opposes" the motion for extension of time to file the reconsideration motion.

Respectfully submitted,  
Electronically signed  
*[Raymond Shadis]*
