Dear Mr. Takamatsu,

I greatly appreciate your exemplary participation in the technical session entitled, "Seismic Analysis Activities for Operating Reactors," as part of the US Nuclear Regulatory Commission's 2011 Regulatory Information Conference. Your presentation was informative, insightful and thought provoking. Your responses to questions were clear and thorough. The coordination with the other panelists resulted in a well-balanced session.

If you have any comments or suggestions on improving future technical sessions of this type, please call me at (301) 415-5723 or by electronic mail at michael.markley@nrc.gov.

Sincerely,
/RA/

Michael T. Markley, Chief
