Dan,

Based on my colorful tables, I'd like to suggest the following distribution of the OMA workload as far as planning the resources and timing. I anticipate being the lead on all the ones we do in-house but will likely need some review from you and/or Phil. The one for Stephanie should be pretty straight forward and only has one action and I will shoulder her.

Pilgrim (Phase 1) - **BJM, DMF, PQ**  
TMI - **BJM, DMF, PQ**

Oyster Creek (Phase 1) - **BNL**  
Oyster Creek - **BNL**  
Indian Point 2 - **BNL**  
Indian Point 3 - **BNL**

Fitzpatrick - **SW, BJM, DMF**

Wolf Creek - **BNL**

Peach Bottom - **BJM, DMF, PQ**  
South Texas - **BJM, DMF, PQ**

Let me know if you have any questions or suggestions as well as whether BNL is on board or not.

Regards,
