Yep. Just let me know when you have an idea of when you'd like to have the call. Dan and I will both participate.

Thanks,

Thanks. The questions look good. I'll get them to Exelon in draft form and I'd expect they will want a conference call. This should proceed smoothly, though, since these are similar to Peach Bottom and we have the same players.

Ed,

I just wanted to inform you that the AFPB branch concurred on the RAI for Oyster Creek yesterday and that it is available in ADAMS at ML092931143. Please let me know if you have any questions.
