Hi Joan

I am going to take a run through with the document. I spoke with Patty and at this point what she wants done I will handle. I will be in touch later if Patty feels that you need to review again. Thank you for making yourself available.

Patty

I just spoke with Alan. I would be happy to take a look at the document. He recommended that Joan also take a look. Let me know where I can pick up the copy and I will do it this afternoon.
