Greetings, Ken!

Not a problem on the extension, Ken. I'll check with Dan on the extension.

As for funds, my records show that you have spent \$53.4K out of FY-10 available funds of \$80.3K, as of May. Based on what you know is left to be done, do you have sufficient funding; or, if not how much more do you need?

Bernie

Hi Bernie -

Since I expect the work to continue past September 30 I request a no-cost extension of the period of performance to December 30, 2010.

1. Oyster Creek - ME 0756 and ME0780
Task Complete. TER submitted July 22.
2. Wolf Creek - ME0798 and ME0799
Draft TER submitted for review and comment.
3. Indian Point 2 and 3 -
Awaiting receipt of responses to RAIs submitted on July 8, 2010 (second set).

I apologize in advance for any inconvenience this request may have caused.

Thanks!
