Debbie,

I can't remember if I sent you this. What does Patty's schedule look like next week for a call with the BLM to talk about the signing session with Charlie and Mike Nedd? Thanks.

So far, the only meeting I have scheduled the week of the 18th is from 2-3 on the 20th. This week is getting booked, but I am free Thursday afternoon and all day Friday. Joan

MOU Implementation

Mitch/Rick/Frank,

NRC would like to meet (or telcon) with you to discuss plans for implementing the recently signed MOU. NRC has prepared its communications plan for implementing its portion. I realize that nothing will happen before the New Year, but can you give us an approximate time in the first two weeks of January? Thanks.

Rick - Sorry for the delay, but Colorado is an Agreement State so the NRC doesn't have any involvement in licensing uranium milling activities there.
