Dear Mr. Bruner, Ms. Barrett and Mr. Bagozo:

Per the request of Mr. Bruner please find two CD containing the permitting support files for the Citrus to Brookridge project.

These files have been previously submitted to the US Army Corps of Engineers in January 2011 but not to the Nuclear Regulatory Commission nor the US Fish and Wildlife Service.

This information was omitted from the submittal in January 2011 and was previously submitted to the US Army Corps of Engineers in June 2010.

Sincerely,

A handwritten signature in purple ink, appearing to read 'Amy C. Dierolf', written over a faint, larger version of the same signature.
