Dear Mr. Gellrich:

By letter dated September 17, 2010, as supplemented February 10, 2011, Calvert Cliffs Nuclear Power Plant (CCNPP), LLC, submitted a license renewal application to the U. S. Nuclear Regulatory Commission for the CCNPP site-specific Independent Spent Fuel Storage Installation (ISFSI). Your license renewal application was accompanied by an exemption request to extend the license renewal period to 40 years.
