Dear Mr. Lemay:

On February 15, 2011, Lester Tripp and Maryann Abogunde, of this office conducted a safety and security inspection of activities authorized at your facility by the above listed NRC license. The findings of the inspection were discussed with you and Mike Bohan of your organization at the conclusion of the inspection on March 14, 2011.

Therefore, you are not required to respond to this letter unless the description therein does not accurately reflect your corrective actions or your position. In that case, or if you choose to provide additional information, you should follow the instructions specified in the enclosed NOV.
