Docket No. 40-215

Att: Mr. William O. Miller
Business Management Branch
Office of Administration-Regulation

Dear Sir:

Along with our letter dated Oct. 2, 1972 we enclosed our check for the amount of \$16.36 as requested in your letter of September 26, 1972 to cover the application fee to amend our Source Material License No. STB-258, to allow us to possess a maximum quantity of 720 lbs. of Thorium Nitrate at our Morris, Illinois Facility.

We note from a recent invoice from your Central Accounts Branch we were charged for possession of the 720 lbs. but we have no record of receiving an amendment to our license.

Would you kindly advise us if an amendment to our license was sent to us, and if so, could we have another copy for our records.

Very truly yours,

S. F. APPLIANCES LIMITED
