Gentlemen:

We have recently increased our production facilities for manufacturing Incandescent Mantles for gaslights, resulting in an increase in storage of finished goods, goods in process and raw Thorium on the premises.

As a result, we find it necessary to apply for an amendment to our source material license, to allow us to store up to a maximum of 1000 kilo's of source material.

Your kind attention to this matter will be appreciated.

Very truly yours,

S. F. APPLIANCES LIMITED
