Dear Dr. Adam:

We request that you amend our By-Product Materials License to show the following changes:

1. Please add Janice Chapell as an authorized user of By-Products Material on our license. Mrs. Chapell has received basic radiation training as given by Mr. Ronald D. Edwards, Physicist of Radiation Protection Consultants, Naperville, Ill.

The training consisted of:

- a. fundamentals of radiation and radiation protection
- b. radiation instrumentation
- c. NRC/State regulations
- d. NRC/ license information and limitations

The total training time was approximately 12 hours, including a review of special written material relating to the above mentioned topics. A copy of Mrs. Chapell's curriculum vitae is enclosed.

2. Relating to the item Radiation Detection Instruments Used on Page 7 of our last application, please note a change in our consulting group to Radiation Protection Consultants, Ltd. or any NRC/State authorized firm. Frequencies of these surveys will be on an "asneeded basis".

3. Please note item #3, Survey Program, on Page 8 of our recent application. Please note a change in the survey program to an "as needed basis" instead of two times annually, conducted by our consulting physicist.

Enclosed please find a check for the \$40,00 amendment fee.

I would like to thank you in advance for your cooperation in this matter. Should you have any questions relating to this amendment application or our NRC license, please contact Mr. Ronald D Edwards of Radiation Protection Consultants, Naperville, Illinois. He is authorized to answer any question or provide any additional information you may need.

Very truly yours,

Bonnie J. Joneson,  
Radiation Safety Officer
