FOIA/FA REQUEST
Case No.: 2011-0115
Date Rec'd: 3-15-11
Specialist: Blaney
Related Case: _____

Dear FOI Officer:

Pursuant to the Freedom of Information Act, I request access to and copies of:

All records, including letters, emails, texts, logs, incident reports, citations, violations, etc., involving any concerns/issues with the Millstone nuclear power complex in Connecticut over the past two years. This request also includes any communications with the Millstone owners over issues/concerns.

I agree to pay reasonable duplication fees for the processing of this request. Please inform me if those fees will exceed \$100. As you know, the act permits you to waive fees if the request primarily benefits the general welfare. This request will be used to inform a news article for The Associated Press, the world's oldest and largest news organization, and will inform the public about government operations. Accordingly I ask that you waive all fees.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

John Christoffersen
