**Subject:** 2011-03-16 Woodlan, Request for Revised due date for RAI 201

Steve,

At the last call regarding clarifications for RAI-203, I noted that we will probably need a new due date. You pointed out that new RAI-208 may be related and we may want to do both responses on the same schedule.

We reviewed all the RAIs and feel that new RAI-208 is more closely linked to RAI-201. We have a response nearly prepared for RAI-201 but feel we should revisit that draft response in light of RAI-208. As I result, **I request that the due date for RAI-201 be moved to 4/14/2011, the same due date we have for RAI-208.** We can then respond to both RAIs in a consistent manner.

We are still working on a schedule to respond to RAI-203. I hope to get back to you soon with a schedule we feel we can support.
