SUBJECT: HOCHIKI AMERICA CORP. REQUEST FOR ADDITIONAL INFORMATION
CONCERNING APPLICATION FOR RENEWAL TO LICENSE, MAIL CONTROL
NO. 574003

Dear Mr. Harake:

This refers to your license renewal application request dated November 19, 2010. In order to continue our review, we need the following additional information:

1. 10 CFR 30.33 requires you to apply for and obtain a specific license authorizing possession and use of radioactive material (Americium-241) from the State of California or from wherever licensed material will be possessed. Please submit a copy of your current State of California license.
2. In accordance with 10 CFR 32.14, your application, November 19, 2010 with NRC Form 313, did not include all required documentation. Please submit:
 - (1) Chemical and physical form and maximum quantity of byproduct material in each product;
 - (2) Details of construction and design of each product;
 - (3) The method of containment or binding of the byproduct material in the product;
 - (4) Procedures for and results of prototype testing to demonstrate that the material will not become detached from the product and that the byproduct material will not be released to the environment under the most severe conditions likely to be encountered in normal use of the product;
 - (5) Quality control procedures to be followed in the fabrication of production lots of the product and the quality control standards the product will be required to meet;
 - (6) The proposed method of labeling or marking each unit, except timepieces or hands or dials containing tritium or promethium-147, and its container with the identification of the manufacturer or initial transferor of the product and the byproduct material in the product;

- (7) For products for which limits on levels of radiation are specified in § 30.15 of this chapter, the radiation level and the method of measurement;
- (8) Any additional information, including experimental studies and tests, required by the Commission to facilitate a determination of the safety of the product.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

If you have any questions, please feel free to contact me at (301) 415-7640

Sincerely,

/RA/
