Subject: Financial assurance for this license/DFP calculations  
(NOTE: This will be used as the Documents Title in ADAMS)

I contacted David Rhoe to follow up on the February 3 email that I sent to Dr. Kolodjiez and David Rhoe, letting them know that the DFP was not attached to their January RAI response. David thought it had been sent, and said he would contact Dr. K to remind him this was needed. I reminded David Rhoe that the cost estimate developed by the DFP needs to be approved before they obtain a FA instrument. If they obtain FA in an amount we have not reviewed, they may need to obtain a replacement instrument if we do not agree with the cost estimate.

Action Required: file telecon with licensing package.
