Chairwoman Nancy Sutley
Council on Environmental Quality
Washington, DC 20503

Dear Ms. Sutley:

To implement Section 8i of Executive Order 13514, "Federal Leadership in Environmental, Energy, and Economic Performance," dated October 5, 2009, the Council on Environmental Quality requires each agency to designate a senior official responsible for climate change adaptation planning actions who shall be accountable for agency conformance with the requirements of the Executive Order.

Therefore, I formally designate Kathryn O. Greene, Director of the Office of Administration, as the U.S. Nuclear Regulatory Commission's (NRC's) Senior Official for Climate Change Adaptation Planning. The NRC's Senior Official will direct the conformance with the requirements of this Executive Order.

Sincerely,

/RA/

Gregory B. Jaczko
