Dear Mr. Charak:

Since Argonne National Laboratory will be performing part of the Bellefonte Nuclear Plant (BLNP) Operating License review, the Tennessee Valley Authority has been asked by the Nuclear Regulatory Commission to forward a copy of the BLNP diesel generator drawings to you. In accordance with that request, we are transmitting, under separate cover to Steve Halverson, one set of drawings.

If you have any questions or if we can be of any further assistance, please get in touch with David Lambert at (615) 755-2581.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
