SUBJECT: CARDINAL HEALTH 414 LLC, RETURN OF DOCUMENTS FOR NEW LICENSE APPLICATION, CONTROL NO. 573262

Dear Dr. Regits:

This concerns the subject new license application and your letter dated February 15, 2011, requesting application for withholding of information from public disclosure. As stated in our letter to you dated March 21, 2011, the following documents in support of your license application are being returned to you because you believe they contain proprietary information.

1. Application submitted with your letter dated July 23, 2010
2. Letter dated August 5, 2010 with additional information
3. Application submitted with your letter dated February 15, 2011
4. Letter dated February 23, 2011 submitted with your letter dated February 15, 2011

We understand that you will submit a replacement new license application and that the application will contain the information requested in NUREG-1556, "Consolidated Guidance About Materials Licenses" Volume 21, "Program-specific Guidance About Possession Licenses for the Production of Radioactive Material Using an Accelerator" (NUREG-1556, Volume 21) and in our letter dated August 24, 2010. We further understand that the replacement application will not contain proprietary information; or, if it does, you will submit a new request for withholding pursuant to 10 CFR 2.390 and a new affidavit as described in the March 21 letter, along with 1) a non-proprietary copy of the application, which notes where proprietary information has been removed, and 2) a proprietary copy of the application information, marked to show the information that is requested to be withheld, and the reason(s) for withholding.
