Re: FOIA request from msnbc.com, No. 002

Dear FOIA/Privacy Officer,

Msnbc.com, the news organization, makes this request for Nuclear Regulatory Commission agency records, pursuant to the federal Freedom of Information Act ("FOIA"), 5 U.S.C. s. 552.

Our organization, msnbc.com, is an online news organization with one of the largest online audiences, a joint venture of NBCUniversal and Microsoft, and headquartered in Redmond, Wash. (The web site is a separate company from MSNBC, the television channel, which is owned by NBCUniversal and headquartered in New York.)

The records requested are:

Any final letters or memos documenting or authorizing exemptions to NRC regulations at any nuclear facility.

Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. Please waive any applicable fees.

Because this request involves information about governmental activity, and the request is made by a person primarily engaged in disseminating information to the public, I ask that this request be processed on an expedited basis.

If it is your position that any portion of the requested records is exempt from disclosure, I request that you provide it with an index of those documents, as required under Vaughn v. Rosen, 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1972). As you are aware, a Vaughn index must describe each document claimed as exempt with sufficient specificity "to permit a reasoned judgment as to whether the material is actually exempt under FOIA." Founding Church of Scientology v. Bell, 603 F.2d 945, 959 (D.C. Cir. 1979). Moreover, the Vaughn index must "describe each document or portion thereof withheld, and for each withholding it must discuss the consequences of supplying the sought-after information." King v. U.S. Department of Justice, 830 F.2d 210, 223-24 (D.C. Cir. 1987). In the event that some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable, non-exempt portions of the requested records. See 5 U.S.C. §552(b). If it is your position that a document contains non-exempt segments and that those non-exempt segments are so dispersed throughout the

documents as to make segregation impossible, please state what portion of the document is non-exempt and how the material is dispersed through the document. *Mead Data Central v. U.S. Department of the Air Force*, 455 F.2d 242, 261 (D.C. Cir. 1977). Claims of non-segregability must be made with the same detail as required for claims of exemption in a Vaughn index. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

I look forward to your reply within 10 business days, as the statute requires.

Very truly yours,
