Delivered by facsimile to 301-415-5130 and by e-mail to FOIA.resource@nrc.gov

Re: FOIA request from msnbc.com, No. 006

Dear FOIA/Privacy Officer,

Msnbc.com, the news organization, makes this request for Nuclear Regulatory Commission agency records, pursuant to the federal Freedom of Information Act ("FOIA"), 5 U.S.C. s. 552.

Our organization, msnbc.com, is an online news organization with one of the largest online audiences, a joint venture of NBCUniversal and Microsoft, and headquartered in Redmond, Wash. (The web site is a separate company from MSNBC, the television channel, which is owned by NBCUniversal and headquartered in New York.)

The records requested are:

All e-mail or electronic messages sent or received, including any attachments thereto (spreadsheets, word processing documents, forwarded e-mail, photographs, PowerPoint presentations, etc.), whether sent internally or externally, from 12:00 a.m. ET on Friday, March 11, 2011, through 11:59 p.m. ET on Friday, March 25, 2011, by any of the following 22 NRC personnel:

Jon P. Ake, RES

Benjamin G. Beasley, RES

Michael J. Case, RES

Douglas H. Coe, RES

Scott C. Flanders, NRO

Joseph A. Golla, NRR

Patrick L. Hiland, NRR

Rosemary T. Hogan, NRR

Christopher P. Jackson, NRO

Michael R. Johnson, NRO

John V. Kauffman, RES/DRA

Steven A. Laur, NRR

Eric J. Leeds, NRR

Yong Li, NRO

Christiana H. Lui, RES

Andrew J. Murphy, RES/DE

Clifford G. Munson, NRO

Martin C. Murphy, NRR

James G. O'Driscoll, NRO

Brian W. Sheron, NRR

Martin A. Stutzke, RES

Joseph M. Zabel, RES

These agency records are electronic records, or data, requested in electronic form, such as in a plain ASCII text file on a CD-ROM. Copying costs should therefore be negligible. Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities.

Because this request involves information about governmental activity, and the request is made by a person primarily engaged in disseminating information to the public, I ask that this request be processed on an expedited basis.

If it is your position that any portion of the requested records is exempt from disclosure, I request that you provide it with an index of those documents, as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1972). As you are aware, a Vaughn index must describe each document claimed as exempt with sufficient specificity "to permit a reasoned judgment as to whether the material is actually exempt under FOIA." *Founding Church of Scientology v. Bell*, 603 F.2d 945, 959 (D.C. Cir. 1979). Moreover, the Vaughn index must "describe each document or portion thereof withheld, and for each withholding it must discuss the consequences of supplying the sought-after information." *King v. U.S. Department of Justice*, 830 F.2d 210, 223-24 (D.C. Cir. 1987). In the event that some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable, non-exempt portions of the requested records. See 5 U.S.C. §552(b). If it is your position that a document contains non-exempt segments and that those non-exempt segments are so dispersed throughout the documents as to make segregation impossible, please state what portion of the document is non-exempt and how the material is dispersed through the document. *Mead Data Central v. U.S. Department of the Air Force*, 455 F.2d 242, 261 (D.C. Cir. 1977). Claims of non-segregability must be made with the same detail as required for claims of exemption in a Vaughn index. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

I look forward to your reply within 10 business days, as the statute requires.

Very truly yours,

Bill Dedman
