Let's lock in Tuesday, April 5 at 1:00. Because of the number of issues, I wonder if we should lay this out as a 2-hour clarification call. We can always finish early. It's harder to deal with running over time.

The author of the alternatives RAIs is unavailable the week of 3/28. So we're going to have to look at the week after that. Right now it looks like we could do it the early afternoon of Monday, Tuesday or Wednesday of that week (4/4 – 4/6). Let me know if any of those dates work for you.
