The meeting is on March 7, 2011, starts at 7pm and is suppose to end at 9pm at the Hilton Garden Inn in Solomons. There is a "poster session" that starts at 6:30pm and goes to 7pm. MDE has informed me that the NRC does not need to participate in the poster session, but if you all feel differently let me know. I can check and see if we can participate if you all want.

MDE wants us there in a support mode to answer questions on the NRC's review process, the environmental review, etc. I am sure we will get foreign ownership questions and schedule questions so we should prepare for that. I am not sure if you all want to have OPA or a safety representative come but at a minimum we should inform them of the meeting and that we are going (they might insist on coming too).

Travel – We should leave here Monday no later than 2:30pm. I am suggesting we leave at 2pm to be beat most of the traffic on the beltway. It takes about 1 hr and 45mins to get there according to Google. That leaves an hour and half to get dinner and get to the hotel by 6-6:15pm. We can either take one car or 2 but can work this detail out later.

I am suggesting we meet sometime next week for half an hour (either Tues, Weds, or Thurs) to go over possible questions and who will take what questions.

Let me know if you have any questions. This info should help you do your travel authorizations. I'll create a logistic document and send it out once all the details are decided (probably early next week).

Thanks
Laura
