John,

If we can finish this meeting by noon, which I think we should be able to, I found another room that can accommodate 25.

The meeting notice is now from 9 am to 12 noon on February 2, 2011.

Tom,

We can limit our attendance to six but would like to request an open conference line for the remainder of our staff. We can provide a conference call-in number as we finalize the meeting.

John,

For planning purpose, I've reserved a conference room in our building (T-300) on February 2, 2011. It is a small room with a capacity seating of 10. If STP plans to bring more than six people, it will be uncomfortable after a couple of hours.

Please let me know what your attendance is before I issue the meeting notice.
