Re: Updated Baseline Human Health Risk Assessment
United Nuclear Corporation's Church Rock Tailings Site
Administrative Order (Docket No. CERCLA 6-11-89)
Materials License No. SUA-1475

Dear Ms. Higgins-Coltrain and Ms. Norman:

On behalf of United Nuclear Corporation, Chester Engineers is pleased to present these hard copies of the above cited report. This report was originally transmitted by email on March 4, 2011. Please note that each hard copy has a CD inside the cover which contains Appendices B, C, and D of this report.

Please feel free to call Mark Jancin (814-231-2170 x 20) or Robert Warren (814-231-2170 x 15) with any questions you may want to discuss.

Sincerely,

Mark Jancin, Ph.D., P.G.
Project Manager

Robert B. Warren, Jr.
Technical Consultant

Enclosed: 2 hard copies for each recipient

cc: Earle Dixon, NMED (1 hard copy)
Eugene Esplain, NNEPA (e-copy only)

Roy Blickwedel, GE (2 hard copies)
Larry Bush, UNC (1 hard copy)
