FOIA/PA REQUEST
Case No.: 2011-0152
Date Rec'd: 3-28-11
Specialist: Blaney
Related Case: _____

Hi Stephanie,

We received the document - thank you!

As I mentioned there are several pages of information we would like to have in addition to the 12 that were sent last week. Page 6 of 12 mentions several references - I would like to request that we receive all of the supporting references on Page 6 of 12 from this document. How can we go about getting this information.

Thank you!

Jonathan,

You should have the response any day now. I contacted the office responsible for the information and the person who handled this is on vacation. Once you receive the response, please review it and let me know if there is anything else you may need.

Let me know if I can be of any further assistance.

Thank you,

Stephanie - typically the bulk of the SDDR applications are in the attachments - wondering if what you sent me includes that attachments. Because that is the information that is relevant from our point of view. If that is the case and it was not included do I need to make a separate request?

Regards,

Jon

Stephanie,

Thank you - here is the electronic version and the fax should follow. I am a little surprised it is only 12 pages long - was information in the SDR redacted or excluded for some reason.

jon
