Hi Joan -

Unfortunately, those times will not work for us. Perhaps we can set up a meeting for the week of June 1. Will you be in the office?

Thanks -

Hi Erin,

Brad and I could do a call Thursday at 3:30 pm EST (alternative time 11 a.m. EST.) Let me know if these times work for you.

Two things: 1) who will be on the call from EPA? and 2) do you have specific cases you would like me to look at before the call on this point? Joan

Hi Joan -

I am wondering whether you might be available at some point on Wed. or Thurs. of this week to discuss the alternatives analysis? I have an all-day meeting on Friday and then will be on travel next week, so am hopeful we could find some time in the next few days that will work.

Thanks,

Erin
