That's fine. I just wanted to check to see if there was anything else you wanted to discuss. Joan

Erin,

I sent an e-mail to Sara last night asking for agenda for today's call.
Didn't hear back from her. Do you have an agenda that you can send me?
Thanks. Joan

Hi Joan -

Does 1pm eastern on June 3 work for you?

Thanks -
erin

Hi Joan -

Based on schedules here, I am proposing 11am mountain, 1pm eastern on June 3 for us to meet. Please let us know whether that will still work for you. We will have Lucita Chin, Sara Laumann, and me from our Office of Regional Counsel as well as Suzanne Bohan, Deputy Director of our NEPA program.

We can use the following call-in information for the call:

Call In Number: 866-299-3188

Code: (b)(2)

If you all could let us know early this week whether that time would work, that would be great.

Thanks,

Erin

Erin,

I just heard back from Brad he will not be available June 1st. However, he is available all day June 3rd. Let me know if what time will work for you. Joan

Hi Joan -

The week of June 1 would be best - both Sara Laumann and I will be back in the office that week, so that would work for us. Let me know what your schedules look like and we can set something up.

Thanks,

Erin

Yes, that would work for me. I'll check with Brad on his availability.
I will also be in the office next week. Joan

Hi Joan -

Unfortunately, those times will not work for us. Perhaps we can set up a meeting for the week of June 1. Will you be in the office?

Thanks -

Erin

Hi Erin,

Brad and I could do a call Thursday at 3:30 pm EST (alternative time 11 a.m. EST.) Let me know if these times work for you.

Two things: 1) who will be on the call from EPA? and 2) do you have specific cases you would like me to look at before the call on this point? Joan

Hi Joan -

I am wondering whether you might be available at some point on Wed. or Thurs. of this week to discuss the alternatives analysis? I have an all-day meeting on Friday and then will be on travel next week, so am hopeful we could find some time in the next few days that will work.

Thanks,

Erin
