Pattie,

Given the length, complexity of the comments and short response time, (and I believe Alan told me your scheduled is a 1 month to develop the response) I would recommend OGC does a team approach for assisting FSME with preparing the final SEIS. But that would be up to Brad. I'll be in training the rest of the day, but will be back in the office Monday. Joan

Greetings Patrice Bubar, Kevin Hsueh, and Patty Swain:

EPA is submitting comments on the subject reports for consideration by the NRC staff. I look forward to working with Kevin and Patty to discuss the response to comments.
