Hi Sara,

I'm attaching the first Chapter of the ISL GEIS for background information for our call this afternoon. Section 1.1-1.5 gives the general background of the purpose of the GEIS and how it is structured. Section 1.7 describes the NRC licensing process. Section 1.8 explains how NRC intends to use the GEIS during the NRC licensing process for specific licensing requests.

The entire GEIS is available on the NRC web-site. If you have trouble finding it I can e-mail you the link.

I heard Denver got quite a bit of snow this morning. Will you be calling in from home? Joan
