I'm not in the office on June 1st (it is on my calendar but may not have been transferred to the division calendar yet). The 3rd is a good date all day.

Bradley W. Jones
Assistant General Counsel for
Reactor and Materials Rulemaking

Let's talk Thursday then. EPA Reg 8 is also unavailable to meet Thursday and would like to reschedule week of June 1st. Based on your calendar I suggested June 1st or 3rd in the afternoon, but haven't heard back from them yet. Joan
