I can send you a summary after the call. We are confirmed for Wed. 2-4 pm EST. I asked Sara to send an agenda and list of topics they want to cover for the call, but haven't seen it yet. Joan

Thanks. Would it be possible for you to send a summary to me, Kevin and Pattie Swain after the call? I will be updating the response to EPA before we head out there so your input will be helpful.

Great. So I presume you will call Sara Laumann directly to set something up. I told Suzanne Bohan I would close with her to let her know what plans we made so let me know when you set something up. Thanks much.

I talked to Brad this morning. He is interested in participating on the call with me. We'll try to set up a call with Region 8 attorneys ... probably on Wed. given our schedules. Joan

I just got a call from Suzanne Bohan at EPA Region VIII. She wanted to know if we could arrange a phone call for early next week between our attorneys and their attorneys.

They were fine if NRC offers one NEPA attorney or management at NRC.

Suzanne asked that whomever can be made available call Sara Laumann in their Regional OGC. Suzannes number is 303-312-6443.

I told Suzanne I would check with you folks and get back to her.

what do you think?
