All,

Please see attached proposed agenda.

Also, Jim Hanley of EPA R8 and Marthea Rountree of EPA HQs will participate in the meeting in person at T8C1. Jim is my contact at EPA R8 and he is in DC this week for a training course. Marthea is the EPA NEPA-HQ liaison to NRC. She worked closely with Andrea Kock and Patty Burbar during GEIS development and public comment responses. She helped R8 in obtaining EPA HQs concurrence with the March 3 comment letter.
