The Honorable Darrell E. Issa
Chairman, House Committee on Oversight
and Government Reform
United States House of Representatives

Dear Chairman Issa:

In response to your letter of March 11, 2011, regarding the Committee's investigation into the Yucca Mountain project, the Commission has directed me to provide the unredacted version of Volume III of the Safety Evaluation Report for the Yucca Mountain license application. Volume III in unredacted form is not publicly available at this time, and the Commission requests that the Committee hold it in confidence.

The Staff considers this document pre-decisional. None of the Commissioners have had access to it in its unredacted form. The Commission has received copies of only those portions that were released to the public as a result of a Freedom of Information Act request.

The agency continues to produce documents responding to the remaining requests in your March 11 letter, and will provide those to the Committee as you have requested.

Respectfully,

Rebecca L. Schmidt
