Re: License No. 13-18845-01

To whom it may concern:

This is to notify you that the name of our facility has changed. The new name is Indiana University Health Goshen Hospital. This is a name change only, not a change of ownership. The address stays the same. Mail should continue to be addressed to the Department of Nuclear Medicine.

If you have any questions, please feel free to contact us or our consultant, David Close at 440-350-1242.

Sincerely,

Mark Podgorski
Vice President of Hospital Operations
