Re: License Number 11-27073-01
Docket Number 030-32226

Subject: License Amendment

This letter reflects the update in our license and our *Radiation Protection Program for Radioactive Fixed Gauge Devices*.

Dennis Manning will soon be retiring from Amalgamated Sugar. I need to remove him from our license. I would also like to make a few corrections in spelling. These changes take place in section 17.

I would like it to read:

17. Installation, initial radiation surveys, relocation, removal from service, dismantling, alignment, replacement, disposal of the sealed source shall be performed only by Russell T. Morgan, Steve Legault, Joe Shigihara, Mervin Baird, Robert Baumgartner, Wes Lindsay, Letty Saras, Jerry Gallatin, and Bob Dayley or other individuals who have completed the training specified in letter dated October 20, 2010, or persons specifically licensed by the U.S. Nuclear Regulatory Commission or an Agreement State to perform such services.

Sincerely,

Russell T. Morgan
RSO, District Safety Manager

APR - 5 2011

DATE

This is to acknowledge the receipt of your letter/application dated 3/16/11, and to inform you that the initial processing, which includes an administrative review, has been performed.

- There were no administrative omissions. Your application will be assigned to a technical reviewer. Please note that the technical review may identify other omissions or require additional information.
- Please provide to this office within 30 days of your receipt of this card:

The action you requested is normally processed within 90 days.

- A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned **Mail Control Number** 574772.
When calling to inquire about this action, please refer to this mail control number.
You may call me at (817) 860-8103.

Sincerely,

Licensing Assistant
