PRIVILEGED & CONFIDENTIAL

This facsimile contains **CONFIDENTIAL INFORMATION**, which may also be **LEGALLY PRIVILEGED** and which is intended only for the use of the individual or entity named above. If the reader of the facsimile is not the intended recipient or the employee or agent responsible for delivering it to the intended recipient, you are hereby on notice that you are in possession of confidential and privileged information. Any dissemination, distribution or copying of this facsimile is strictly prohibited.

**NOTICE
PROHIBITION ON REDISCLOSURE FOR PATIENT INFORMATION**

This information has been disclosed to you from records protected by Federal Confidentiality Rules (42 CFR Part 2). The federal rules prohibit you from making any further disclosure of this information, unless further disclosure is expressly permitted by the written consent of the person to whom it pertains, or as otherwise permitted by 42CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

Dear Deborah,

The following is an addendum to a written report of lost materials event per 10 CFR 20.2201. Event # 46679. The event originally stated that there were ten (10) Tritium exit signs missing, upon further investigation, there were actually eleven (11) signs missing. If there is any additional information required, or any questions, please contact me at 816-415-7791.

Sincerely,

Christopher Moore, RSO.
