Hi Cara,

Figure 3-1 (pg. 3-2) depicts the site boundary. However, PEF owns property to the south of the site as well, which is depicted on Figure 2-12 (pg. 2-31). The southern property extends to CR-40, and in some cases beyond, to the Marjorie Harris Carr Cross Florida Greenway and Trails. I hope this helps.

Sincerely,

Doug Bruner

Subject: Question on DEIS

Hello Doug,

I'm not sure you're the person to ask, so if not, please point me to the correct person. On p. 2-31 of the DEIS there's a legend that indicates the LNP site boundary. It's different from the site boundary on p. 3-2. Is either correct and if so, which. I am trying to see if PEF owns the land right up to the CFBC- the former would seem to indicate that while the later is ambiguous.

Thank you,

Cara
