The licensee had requested to add two authorized users to the license and had stated that both were currently listed on the license of the Hospital of Saint Raphael. I did verify that Dr. Lawrence Saperstein was on the license for the Hospital of Saint Raphael, but I could not find Dr. Jose Restrepo. Also, Dr. Saperstein was requested to be listed as Radiation Safety Officer. After searching through ADAMS, I did find that Dr. Saperstein served as the RSO for Englewood Hospital from June 2005 to July 2007. Therefore, I had the necessary verification to add Dr. Saperstein as AU and RSO for the license. However, I still could not find verify that Dr. Restrepo has served as an AU on a medical license. I called Mara Newell, the Manager for Whitney Imaging Center, and explained that I could not find Dr. Restrepo on any license. I requested that Dr. Restrepo fill out the NRC Form 313A (AUD). I explained the various pathways that Dr. Restrepo could be added to the license to Ms. Newell. I emailed her a copy of the form as well as a link to the specialty boards that the NRC currently recognizes for an authorized user.
