

April 15, 2011

Anthony Pietrangelo
Senior Vice President and
Chief Nuclear Officer
Nuclear Energy Institute
1776 I Street, NW, Suite 400
Washington, DC 20006-3708

SUBJECT: INDUSTRY CONCERNS REGARDING THE U.S. NUCLEAR REGULATORY
COMMISSION'S MARCH 2, 2011 DECOMMISSIONING FUNDING
WORKSHOP

Dear Mr. Pietrangelo:

I am responding to your March 8, 2011, letter regarding the Decommissioning Funding Workshop held by the Nuclear Regulatory Commission (NRC). We appreciate the industry's active engagement on these issues, as well as the participation of other external stakeholders. Your letter will be considered by the NRC, in addition to your comments submitted on April 4, 2011, and all other comments received on the Workshop. My staff is preparing a summary, which will be made available to the public, of all of the comments received during and subsequent to the Workshop. The outcomes of the Workshop, including the staff's assessment of the comments received, will be included as part of an Option Paper being developed for the Commission's consideration. I trust that you find the process outlined above responsive to your concerns.

Sincerely,

/RA/

Timothy J. McGinty, Director
Division of Policy and Rulemaking
Office of Nuclear Reactor Regulation
