Documents Title in ADAMS)

Discussed with Ms. Santiago that it appears that 2 additional patients had been implanted at their facility in 1973 and 1974; as stated in a questionnaire submitted in a letter dated October 2, 1984. I provided the names of the patients to Ms. Santiago and she forwarded them to Medtronic 2 weeks ago. Ms. Santiago is still awaiting information from Medtronic and will forward the information upon receipt.
