Dear Mr. Atkinson:

As I promised during our conversation on September 29, 1975, enclosed is a copy of the Final Environmental Statement for the Bellefonte Nuclear Plant Units 1 and 2.

In particular, I invite your attention to pages i and ii of the Summary and Conclusion; pages 2-1 through 2-3 and page 3-2 which describe the site; and pages 5-22 through 5-26 and pages 9-22 through 9-25 which describe the effects of cooling tower operation.

If you have any questions, please feel free to call me (301) 443-1504.

Sincerely,

15/
