Subject: Additional information for amendment request

(NOTE: This will be used as the
Documents Title in ADAMS)

This regards the amendment request dated April 13, 2011. My understanding from previous discussions with COL Taylor is that this was intended to be an expedited request. I asked COL Taylor the following:

1. **How quickly is the amendment needed?** COL Taylor requested issuance within 30 days.
2. **Please provide a confirmatory letter from WRAMC senior management (e.g., hospital command) indicating that they have reviewed and concur with this amendment request.** I asked for this to be provided within one week, and COL Taylor agreed.

Action Required: Await confirmatory letter from WRAMC command, then issue amendment
