RECEIVED
REGION I

To Whom It May Concern:

This is to inform you, pursuant to a telephone conversation on April 6, 2011 between Sandra Gabriel of Region I and Stuart Korchin, our consultant medical physicist, that the William W. Backus Hospital brachytherapy program has been inactive since August 27, 2009. We wish to retain our authorized use for possible reactivation of the program in the future.

Please contact me if you have any questions or need additional information

Sincerely yours,

Lester A. Temkin
Vice President, Clinical Operations

CC: Sandra Gabriel, Senior Health Physicist, USNRC
Stuart R. Korchin, Medical Physicist
Philip Kohanski, M.D., Radiation Safety Officer
