Fellas, I am in the process of verifying the accuracy and completeness of numerous cases we have had in the past year. Here are some updates, revisions or new information we want added to the NMED cases:

<u>NMED ITEM NO.</u>	<u>REQUESTED REVISIONS/NEEDED INFORMATION</u>
060219	Event date should be 01/17/2006 and 3/15/2006, there were two medical events.
050576	Investigation should be Y (yes)
050301	Investigation should be Y (yes)
050339	The narrative is wrong, replace Sun Refinery with Sunoco Refinery.
060234	What additional info. Is needed to close-out this one.
060494	This event is an AO, Abnormal Occurance should be Y
060235	What additional info. Is needed to close-out this one.
060123	_What additional info. Is needed to close-out this one.
