April 23, 1974

Dear Mr. Muller:

This is in response to your request of February 1, 1974, for comments on the environmental statement for the Bellefonte Nuclear Plant, Jackson County, Alabama. Pursuant to its responsibilities under Section 102(2)(C) of the National Environmental Policy Act of 1969, the Advisory Council on Historic Preservation has determined that while you have discussed the historical, architectural, and archeological aspects related to the undertaking, the Advisory Council needs additional information to adequately evaluate the effects on these cultural resources. Please furnish additional data indicating:

Compliance with Executive Order 11593 of May 13, 1971.

1. In the case of land under the control or jurisdiction of the Federal Government, a statement should be made as to whether or not the proposed undertaking will result in the transfer, sale, demolition, or substantial alteration of potential National Register properties. If such is the case, the nature of the effect should be clearly indicated.
2. In the case of lands not under the control or jurisdiction of the Federal Government, a statement should be made as to whether or not the proposed undertaking will contribute to the preservation and enhancement of non-federally owned districts, sites, buildings, structures, and objects of historical, archeological, architectural, or cultural significance.

To insure a comprehensive review of historical, cultural, archeological, and architectural resources, the Advisory Council suggests that the environmental statement contain evidence of contact with the appropriate State Historic Preservation Officer and that a copy of his comments concerning the effects of the undertaking upon these resources be included in the environmental statement. The State Historic Preservation Officer for Alabama is Mr. Milo B. Howard, Jr., Chairman, Alabama Historical Commission, State Department of Archives and Historic, 305 S. Lawrence Street, Montgomery, Alabama 36104.

Should you have any questions or require any additional assistance, please contact Ernest Holz, at 202-254-3974, of the Advisory Council staff.

Sincerely yours,

Ann Webster Smith *for ACS*
