RE: *Martinez v. SAIC*, Case No. 1:10-cv-00207 (S.D. Tx.);  
NRC File No. TR-11-02.

Dear Counselor:

This office received a request from you to interview certain NRC employees for possible evidence to be used in the above captioned litigation in early January, 2011. In support of that request, you submitted a letter dated January 20, 2011 responding to the material required by our regulations at 10 C.F.R. § 9.201(b)(2). This Office assigned the processing number "TR-11-02" to your request; please refer to that number in any future correspondence regarding this matter.

Subsequently, the General Counsel approved your interview with Mr. John Kinneman of the NRC. On April 12, 2011, Mr. Kinneman signed an affidavit addressing certain issues involved in your litigation and delivered it to your courier and I understand from Mr. Russell of your office that he received that document.

Accordingly, this Office is closing File TR-11-02. If, at some point in the future, you determine that you wish to obtain additional information you may submit another request.

Please feel free to call me with any questions about this matter.

Respectfully,

/RA/

Charles E. Mullins

Office of the General Counsel
