RE: Material License No. 06-08166-03

Licensing Assistance Section:

Please be advised that Arch Chemicals, Inc. is planning to terminate its material license by September 30, 2011. This license covers activities at the Arch Research Center at 350 Knotter Drive, Cheshire, CT 06410. Arch will cease all operations at the site by September 30, 2011. Radioactive materials will either be disposed of as waste or shipped to a new site in Alpharetta, GA. A decommissioning survey will be done prior to license termination. The decommissioning report and the disposition of the radioactive materials (with reference to the new Georgia materials license) will be forwarded to NRC.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "James C. Ritter".
