10 CFR 55.40

Mr. Victor M. McCree, Regional Administrator  
U.S. Nuclear Regulatory Commission, Region II  
Marquis One Tower  
245 Peachtree Center Ave., NE, Suite 1200  
Atlanta, Georgia 30303-1257

Attn: Mr. Malcolm T. Widmann

Watts Bar Nuclear Plant, Unit 1  
Facility Operating License No. NPF-90  
NRC Docket No. 50-390

**Subject: Reactor and Senior Reactor Operator Initial Examinations**

**Reference: Letter from NRC to TVA, "Notification of Licensed Operator Initial Examination 05000390/2011-301," dated February 9, 2011**

In the referenced letter, the Nuclear Regulatory Commission (NRC) informed the Tennessee Valley Authority (TVA) that it will be administering operating tests at the Watts Bar Nuclear Plant (WBN), Unit 1, during the weeks of June 6 and 13, 2011, and written examinations during the week of June 22, 2011. In addition, the NRC requested that TVA provide by April 21, 2011, the written examinations, operating tests, and the supporting reference materials identified in Attachment 3, "Reference Material Guidelines for Initial Licensing Examinations," of ES-201, "Initial Operator Licensing Examination Process," of NUREG 1021, "Operator Licensing Examination Standards for Power Reactors." Consistent with this schedule, the written examinations, the operating tests and the reference materials were hand carried to the Region II offices on April 15, 2011, by a member of WBN's Operations Training staff. This letter documents the completion of these actions.

This letter contains no new commitments. In accordance with 10 CFR 55.49, "Integrity of examinations and tests," and NUREG 1021, "Operator Licensing Examination Standards for Power Reactors," appropriate measures have been taken to

ensure examination integrity and security. Accordingly, it is requested that the written examinations, operating tests and the associated documentation delivered to the NRC , be withheld from public disclosure until the examinations are completed later this year.

TVA's principal contact regarding the license examinations is Mr. John Dalton. Should you require additional information on this matter, please contact Mr. Dalton at (423) 365-8081 or Chris Riedl, Site Licensing Manager, at (423) 365-1742.

Respectfully,

A handwritten signature in black ink, appearing to read 'D. Grissette', with a stylized flourish at the end.

Don E. Grissette  
Site Vice President
